

Flipkart's Annual Flagship Hiring Challenge Returns For 5th Edition – Jobs Worth INR 32 LPA For Engineering Students

The banner features the Flipkart logo at the top center, followed by the 'GRID 5.0' logo in a large, bold, yellow font. Below this, the text 'Prizes worth 9 Lakh INR EGVs' is displayed in white and yellow. Two tracks are listed: 'SDE1 full time roles' with a prize of 'INR 32 lakh p.a' and 'SDE Internships' with a prize of 'INR 1 lakh p.m'. At the bottom, a red button with the text 'REGISTER NOW' is centered.

One of India's most anticipated engineering campus case competitions, Flipkart GRiD, is back for its fifth edition.

Flipkart GRiD 5.0 is inviting young engineers to explore and solve real problems of the E-Commerce world alongside showcasing their technical prowess and other soft skills. The prizes include internships, job offers, and a lot more. Here's the list of rewards and prizes:

- Tech Internships with a monthly **stipend of INR 1 lakh**
- Full-Time job offers with a **CTC up to INR 32 LPA**
- The top-performing teams get a chance to appear in the Flipkart Hiring Process, for the roles of SDE-1 (Full Time) and SDE Internship
- **A prize pool of INR 9 lakh**
- **Certificate of Merit** to the top-performing teams in each track
- Participating **certificates** to all participants

Eligibility:

This competition is open to students pursuing B.Tech/B.E./M.Tech or other engineering programs across ALL engineering colleges in India (Batch 2024, 2025, 2026 & 2027). The batch of 2023 is not eligible to participate in this competition.

Students can apply for the track they're interested in here:

<https://unstop.com/festival/flipkart-grid-50-flipkart-137316?ref=btY2Rvsn>

The registrations for all tracks opened on June 9, 2023. This is the first time that Flipkart GRiD 5.0 is also **accepting solo registration**.

For the first time this year, the challenge **includes 'health+' as a track**. These are the 4 tracks:

1. Software Development
2. Information Security
3. Robotics
4. Health+

Interested students can find the eligibility criteria and competition structure below:

Competition structure:

Each track will have multiple elimination rounds to test the participants' technical, analytical, and ideation skills.

In the grand finale, finalists will present their solutions to a panel of domain experts at Flipkart. Find more information [here](#).

Important Note: One person can be a part of only one team per track. However, you can make another team for the other tracks.

Flipkart is India's leading e-commerce marketplace, offering more than 100 million products to 150 million customers. The marketplace started by selling books in 2007. Today, it has evolved into an organization of 100k sellers, selling across categories - from electronics to fashion apparel. In 2019, LinkedIn ranked Flipkart first in the Top Companies People Want To Work With In India.
